### MC Stu Kosh

**Stu Kosh** has been performing stand-up comedy for over 18 years. Stu lived overseas until he was 8, then moved to the culturally diverse mecca that is Elk Grove in 1990. This was just in time for men to put away their workout crop tops and put on their, "Hammer Pants." Stu's unique vertically challenged perspective has been molded by years of trauma, and Judaism. He has performed with Christopher Titus, Joey Diaz, Preacher Lawson, and America's *Got Talent* newest star, Mike E. Winfield. He was

hilariously ridiculed on NBC's *Last Comic Standing* and recently produced a Christmas Movie for the Lifetime Movie Network, "The Christmas High Note." Be sure to laugh with him or at him, at his home club, "Flappers Comedy Club," in Los Angeles, or a small town venue near you!

### Feature Destini Bryant

**Destini Bryant** is a comedian and writer based in Los Angeles. She has been trained at UCB in New York City and The Second City in Los Angeles. She currently co-hosts a podcast called *Clearly Struggling*. She is originally from Florida so she is the butt of most jokes.

### Headliner Sal Calanni

**Sal Calanni** is a lactose intolerant Italian originally from Cleveland, Ohio, he hit the road and began doing stand up in San Francisco. He has crawled through the ranks and has appeared at clubs all over the U.S. He now lives in Hollywood.
